DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

FEDERAL EMPLOYEE HEALTH BENEFITS FOR MILITARY RETIREES: CHAMPUS coverage for military retirees is automatically transferred from CHAMPUS to Medicare coverage upon attaining the Medicare eligibility, at age 65. Employees have 31 days from the date of loss of CHAMPUS to enroll in a Federal Employees Health Benefit (FEHB) plan. Military retirees who are thinking about retiring from civilian service before reaching Medicare eligibility are reminded: to have FEHB coverage as retiree, an employee must be enrolled at the time of retirement; to insure coverage, they should enroll in an FEHB plan that takes effect before the retirement date elected. To keep FEHB after retirement, employees must be enrolled for at least 5 years; and coverage under CHAMPUS counts towards eligibility to carry FEHB into retirement. Questions regarding health benefits should be referred to Lisa Fowler (867-1883), Benefits Team, Personnel Office, (BA-B)

EMPLOYEES PLANNING FOR RETIREMENT: To make tentative annuity computations, verify creditable service, and process an application for retirement, employees considering retirement should assure that all military and civilian service has been properly documented in their personnel records. Although dates of military service may have been previously recorded and verified, these dates should be reverified so there will be no delay in the receipt of annuity checks. Employees who have had active military service should submit to Kathleen Ellis or Lisa Fowler, Retirement Counselors, Personnel Office Benefits Team (BA-B), copies of their military discharge papers, DD 214, or other documents showing the beginning and ending dates of active service. Employees who do not ensure that all active duty military service is properly documented may experience a delay in the receipt of full annuity payments from OPM upon retirement from civil service. Contact Lisa Fowler at 867-1883, Headquarters, Room 2506. (BA-B)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7:00 am to 5:00 pm, and the Launch Area Clinic is open Monday-Friday 7:00 am to 3:00 pm. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 am. to 4:00 pm. Appointments may be made by calling 867-7398. (TA-C2)

MESSAGE THERAPY: "HOLIDAY DISCOUNT", August 10, thru September 6, 2005, a 30 minute massage is only \$20.00. Contact Valerie, (L.M.T. #19362) at 867-4762 or JaramVS@kscems.ksc.nasa.gov. Massage Therapy available Tuesday-Friday, hours are flexible. Room 1023, O&C Building. Gift certificates also available. (TA-C2)

AUGUST 2005 SLEEP IMPROVEMENT: Sleep deprivation affects 70 million adults nationwide. Approximately 40 million Americans suffer from a chronic sleep disorder, which is about a quarter of the U.S. population. According to a recent poll, nearly seven out of ten Americans said they experience frequent sleep problems. This month's health topic is sleep improvement. In light of these statistics and the health consequences of sleep loss, methods for getting more sleep and improving the quality of sleep are needed.

The sleep improvement packet will be available on the *new HEWP website*: <http://www.hewp.ksc.nasa.gov>. Hardcopies of the packet will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414.

NEW EXTERNAL HEWP WEBSITE: The HEWP website will have a new look and will be available outside the KSC firewall! This means that you can access the HEWP website from anywhere on the web. The new website will go live soon and will be located at <http://www.hewp.ksc.nasa.gov>. Check it out and bookmark it and work and at home!

FUEL 4 WOMEN: The KSC/CCAFS HEWP is launching a new women's health program titled *Fuel 4 Women*. We are very excited about bringing the women's health program back to the spaceport. This month's topic is osteoporosis. The osteoporosis packet is available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table. Please contact Jessica Crews, Health Education Intern at Jessica.Crews@jbosc.ksc.nasa.gov for more information or with suggestions and ideas for this new program.

NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM

The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, monthly lectures, and special events. Check out the NEWS website at <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=NEWSProgram>

AUGUST N.E.W.S. PROGRAM WORKSHOP

Repeated by popular demand, the August N.E.W.S. (Nutrition Education for Workers at the Spaceport) workshop will be on Nutrition for Weight Loss and will be held on Wednesday, August 24th from 11:30 am to 12:30 pm in the OSB, Room 6320.

.E.W.S. program workshops will be held the 4th Wednesday of each month (with the exception of November & December) from 11:30-12:30 with alternating locations between the O&C (KSC Industrial Area) and OSB (KSC Launch Area) buildings. See the NEWS website for the entire year schedule.

STRESS MANAGEMENT WORKSHOP

Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbosc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting.

AUGUST VISION SCREENING SCHEDULE

No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

Tuesday August 23 11:00 am-1:00 pm

KSC TOASTMASTERS: Space Center employees are constantly in the public eye and in situations which require them to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of “listening, thinking, and speaking”—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, or Nona Mamaradlo at 784-7502.
